**Bachelor of Nutrition (updated 2016 offering)**

The Bachelor of Nutrition is three years in duration for a full-time student, or six years for a part-time student. In this course, your core subjects will comprise of 24 subjects. Each year consists of three Study Periods, also known as Trimesters.

**Core subjects** - compulsory subjects that you must complete

This course comprises of 24 subjects that you are required to complete: 24 core subjects and nil elective subjects.

The course contains 3 subject levels - Level 100, 200 and 300, guiding subjects from foundational through to more complex subjects.

- Level 100: 8 core subjects.
- Level 200: 8 core subjects.
- Level 300: 8 core subjects.

**Prerequisite subject** - a subject you must complete before undertaking another subject

**Corequisite subject** - a subject you must complete with another subject at the same time

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

Please note: Not all subjects run each Study Period. If your suggested subjects are unavailable, we encourage you to take the immediate preceding or following subject(s) where possible.
