</table>

**Study Periods**

- **Study Period 1:**
  - 8 subjects per year

- **Study Period 2:**
  - 8 subjects per year

- **Study Period 3:**
  - 8 subjects per year

- **Study Period 4:**
  - 8 subjects per year

- **Study Period 5:**
  - 8 subjects per year

- **Study Period 6:**
  - 8 subjects per year

**Study Modes:**

- **On Campus (OC) study mode:** students attend a 3 hr weekly on campus class.
- **Flexible Online Delivery (FOL) study mode:** students study online with weekly collaborative classes.

**Study Periods:**

- **Study Period 1:**
  - 25 hours

- **Study Period 2:**
  - 20 hours

- **Study Period 3:**
  - 25 hours

- **Study Period 4:**
  - 20 hours

- **Study Period 5:**
  - 20 hours

- **Study Period 6:**
  - 20 hours

**Prerequisites:**

- Each study period runs for a 12 week teaching period.
- The Bachelor of Health Science (Naturopathy) is four years in duration for a full time student, or eight years duration for a part time student. Each year consists of three Study Periods, also known as Trimesters.
- The course comprises of 32 subjects.
- Core subject: a subject you must complete with another subject at the same time
- Corequisite subject: a subject you must complete with another subject at the same time
- Prerequisite subject: a subject you must complete before undertaking another subject
- Elective subject: a subject you can choose between from the Elective Bank below. Students can choose to complete one unspecified elective subject.

**Core subjects**

- HSP101: Human Structure & Physiology 1
- BFD105: Botany & Herbal Manufacturing
- HSP2002: Human Nutrition 2

**Prerequisite subjects**

- HSP102: Human Structure & Physiology 2
- HMK004: Herbal Materia Medica 1
- HBC005: Human Biochemistry

**Corequisite subjects**

- HSP101: Human Structure & Physiology 1
- HSP2002: Human Systems & Pathophysiology 2
- HSP201: Human Systems & Pathophysiology 1

**Conditional Credit**

- Partial Academic Credit - Partial Academic Credit will not be displayed on offer letter or transcript as a full credit.
- Conditional Credit - may be applied if a work integrated learning (WIL) component of the subject needs to be completed by the student, prior to full credit being applied.
- Pre-requisite Credit - students may apply for one unspecified elective wherein they have completed an equivalent elective subject that is not represented in the specified elective bank of subjects.

**Study Mode & Attendance**

- Theory component: OC or FOL
- Practical component: OC or FOL
- For online classes: Computer or campus classes.
- For campus classes: Computer or campus classes.

- 100% attendance for Clinic Management
- 80% attendance in OC class.
- Compulsory on campus:
- No online study mode available.
- Theory component: weekly or for online classes: Computer or campus classes.
- For online classes: Computer or campus classes.
- Practice only: 80% attendance in OC class.
- No online study mode available.
### Subject Details

**Subject Code** | **Subject Name** | **Prerequisite** | **Attendance Requirement** | **Think Subject Equivalency**
--- | --- | --- | --- | ---
00109 | Phytotherapy Practice | Prequisite: NUT2001 | - | CAM020A Clinical Studies 2 + CAMS11A Clinical Studies 3

**Elective Bank**

Choose 3 elective subjects from the elective bank below. Students can apply for one unspecified elective credit.

*Unspecified Credit:

Program Director approval required for permission to study equivalent AQF Level 7 subject from the Torrens University course offerings.

Please note - not all elective subjects are available in all study modes. Check the subject delivery schedule for details on delivery mode.
